

CALL FOR SPECIAL SESSIONS AND TUTORIALS

2018 International Conference on Radar

27th–30th August 2018 - Brisbane, Australia

In addition to regular papers described in the Call for Papers, proposals for Special Sessions and Tutorials are requested with the goal of providing more depth for important technical areas.

Several topics of interest include, but are not limited to, the following:

- Surveillance of Space Radar
- Space-borne Radar
- Radar for Air and Missile Defence
- Multi-function Naval Radar
- Radar for drone and counter-drone applications
- Autonomous Vehicle Radar
- Weather Radar
- Passive Radar
- High-Frequency Radar
- Bi-static and Multi-Static Radar
- High-Resolution/Multi-dimensional Imaging Radar
- Applications of Compressive Sensing in Radar
- Aided Target Classification
- Cognitive Radar
- Waveform Diversity
- Radar Modelling and Simulation

Important Dates

Proposals Due: 20 December 2017
Notification of Acceptance: 19 January 2017
Special Session Papers Due: 16 February 2018
Tutorial Submissions Due: 20 July 2018

For more information contact:

Tutorials - Luke Rosenberg tutorials@radar2018.org

Special Sessions - Hai Tan Tran or Marco Martorella
specialsessions@radar2018.org

Special Sessions

- Maximum one-paragraph description of the proposed Special Session,
- List of prospective authors and paper titles (4-6 papers),
- Maximum half-page biography of the Special Session organiser(s).

Tutorials

Tutorial presenters are required to submit a 2-3 page syllabus outlining the tutorial topic, the intended audience, learning outcomes, suggested prerequisites, presenter biography, schedule for a four-hour lesson, and list of previous venues where the proposed tutorial has been presented, along with an estimate of attendance numbers.

Note that all papers for Special Sessions must adhere to the same deadlines and format guidelines as regular papers, and will be reviewed according to the standard procedures of Radar 2018.

Organiser(s) for Special Sessions and Tutorials should submit the requested information via email to specialsessions@radar2018.org or tutorials@radar2018.org by **20 December 2017**.

Underwriters:

- IEEE Queensland Section
- IEEE South Australia Section
